On Saturday, 07/11/20 at 0843 hours, Deputies from the Rock County Sheriff's Office assisted personnel from the Janesville Police & Fire Departments with a missing persons case (JV2032152) that began on 07/09/20. Janesville PD had requested assistance from Wisconsin K9 SOS Search & Rescue utilizing cadaver dogs to search the area around the Arbor Ridge Subdivision along N. CTH E where Johnny D. Hood initially went missing.

At approximately 0900 hours, cadaver dogs alerted to the body of a Caucasian adult male found deceased in a thick wooded area down the embankment from the railroad tracks in the 2800 block of N. CTH E.

The body was turned over to the Rock County Medical Examiner's Office pending an autopsy. Positive identification will be made by the Medical Examiner in the near future. No foul play is suspected.
